

Bamboo Massage Short Workshop (Part-Time)

Bamboo massage is a technique that incorporates bamboo stalks of varying lengths and diameters to provide deep-tissue work. The massage itself promotes circulation, sensory nerve perception, and lymphatic drainage and provides a deep sense of relaxation and well-being. An added benefit for the therapist is that using the bamboo sticks helps to reduce stress and strain on hands and fingers while still allowing for deeply penetrating manipulations.

Entry Requirements

Level 3 qualification or above in Swedish Massage.

Career Prospects

An added specialism skill to existing beauty therapy/Applied Therapy qualifications

Course Modules

This is a short one day workshop of 6 hours duration for applicants who already hold a Level 3 Swedish massage qualification. This is an added specialism to an existing massage skill. This course provides a College certificate.

Assessment

Practical demonstrations and theoretical delivery only.

Additional Costs

Learners will be required to wear a tunic and related PPE.
