DVSA LGV Category C+E Licence (Part-Time)

This qualification provides learners with the skills, knowledge, and experience needed to safely operate an articulated Category C+E vehicle.

Training focuses on vehicle control, safe manoeuvring, coupling and uncoupling trailers, and preparing for the DVSA 3b off-road test. This qualification is designed for those wishing to step up from Category C to full articulated lorry status, enabling progression into advanced logistics roles.

Entry Requirements

Delegates must:
- Hold a full category C driving licence
- Hold provisional Category C+E entitlement
- Be medically fit to drive.

Career Prospects

Successful delegates gain increased employment opportunities in the logistics and road transport sectors. Learners commonly progress into roles such as: Long-distance or regional LGV driving, Specialist haulage roles, Transport operations, Traffic office, and fleet management positions.

Course Modules

This course covers:
– Vehicle safety checks
– Articulated vehicle manoeuvring
– Coupling and uncoupling
– Reversing and positioning
– Road safety and on-road driving preparation

Assessment

This course is assessed via an exam.
