

# GCSE Mathematics (Part-Time: Online Delivery) January Start

A fast-track GCSE Mathematics class with examinations in May/June 2025. Delivery will be online and approximately 3 hours per week. The course will prepare you for the Intermediate level assessments where the highest grade achievable is a B. The assessment papers are split into a calculator and non-calculator papers. This intensive course will also require students to undertake at least 3 hours self-study per week to ensure suitable progress in time for the summer examinations.

The first class will take place on Tuesday 14 January 2025.

## Entry Requirements

None

## Career Prospects

Career Prospects: A C grade in GCSE maths is required for many jobs. An increasing number of universities and courses require a B grade as part of their entry requirements.

## Assessment

Examinations

There are two examinations which take place in May and June. Both papers make up 50% of the final mark.

Paper 1 – Non calculator Paper

Paper 2 – Calculator Paper

The following grades are available E, D, C and B.

## Additional Costs

Essential Mathematical equipment is needed for this course, these include:

- Scientific Calculator
- Ruler
- Protractor
