Hopi ear candle treatments is a therapy treatment that is non-invasive, relaxing and soothing to the recipient. This workshop allows the learner to develop safe and effective techniques to treat a number of ailments. The course is one 6 hour workshop.

Entry Requirements

Subject to interview

Career Prospects

This specialised course adds additional therapy skills to existing beauty or holistic qualifications.

Course Modules

Thermal Auricular Therapy [also known as Hopi Ear Candles] is a pleasant and non-invasive treatment of the ears, used to treat a variety of conditions.

Hopi ear candle treatments can also help to reduce inflammation in the ears and sinuses, relieve the symptoms of hay fever, rebalance your body's natural flow, and generally calm and relax you when life is stressful.

This course offers a 6 hour workshop into theory and application techniques.
