Hopi Ear Candle Workshop (Part-Time)

This short, specialist workshop introduces Thermal Auricular Therapy, also known as Hopi Ear Candles. It is a non-accredited course designed to develop safe and effective treatment techniques for use within a holistic or beauty therapy setting. The workshop adds an additional therapy skill to your existing practice and can support professional development and service expansion.

Day and time: To be confirmed
Start date: To be confirmed
Duration: 6 Hours

Who is this course for?
• Learners with existing beauty or holistic therapy qualifications
• Practitioners looking to add an additional, complementary therapy skill
• Adults interested in professional development within holistic therapies

What you will learn
• The theory and principles of Thermal Auricular Therapy
• Practical applications including providing relief from the symptoms of hay fever and reducing inflammation in the ears and sinuses

On completion of the workshop, you will be able to carry out Thermal Auricular Therapy treatments safely and confidently as an additional service within your existing practice. You will receive a College certificate, evidencing competency and supporting professional development.

Entry Requirements

No entry requirements

Career Prospects

This workshop supports continuing professional development for beauty and holistic therapists. It can be used to expand your treatment portfolio, enhance employability within salons, clinics or self-employment, and may lead to further specialist holistic therapy training.

Course Modules

- Anatomy & physiology of the ear
- Health, safety & hygiene protocols
- Client consultation & contraindications
- Step-by-step Hopi ear candle procedure
- Types of ear candles
- Aftercare advice & client guidance
- Managing client expectations & treatment plans

Assessment

Practical observation and tutor feedback during the workshop

Additional Costs

- Learners will be required to wear a suitable black clothing and related PPE
- Kit will be provided for the training session
