# Level 2 Creative Writing Short Course (Part-Time: Evening)

Everyone has a story to tell be that in the form of a novel, a script or a poem!

Do you love to write? Fancy becoming a professional writer, or taking a course that allows you to practise your writing skills? These varied and exciting courses offer you that unique opportunity.

You will study and practise writing across all forms. We will also introduce you to ideas about how to go about getting your work published and invite a series of professional writers to come and talk to you about their work and experiences as writers.

This course is your opportunity to tell your story, real or imaginary, and discover your writing voice and the best form in which it can be heard. The course will be delivered via a range of lectures and supportive writing workshops where you have the opportunity to share your work and gain valuable feedback to help you develop your writing. You are encouraged to keep a reading and writing journal to map your development as a writer.
