Level 2 NVQ Diploma In Interior Systems (Construction) (Part-Time)

The Level 2 NVQ Diploma in Interior Systems (Construction) is designed for individuals who need to demonstrate the knowledge and skills required to install a wide range of interior systems within the construction environment. This includes pathways such as suspended ceilings, demountable partitioning, operable walls, glass partitions, dry lining fixing, and dry lining finishing.

The qualification ensures candidates can work safely, follow industry-recognised standards, and complete tasks with minimal supervision across a variety of interior installation environments.

Entry Requirements

Delegates must be employed in a role that allows them to generate workplace evidence.

Career Prospects

Successful delegates gain increased employment opportunities across the interior systems sector. They also gain a foundation for advancing to higher-level NVQs.
