

Level 2 NVQ Diploma in Trowel Occupations (Part-Time)

This qualification is designed to allow delegates to learn, develop and practise the skills required for employment and career progression in bricklaying or craft masonry.

The bricklaying pathway covers areas such as working on a construction site, setting out basic structures, building brick and block walling, laying domestic drainage, placing and finishing concrete and render surfaces.

The craft masonry pathway covers areas such as working to given specifications, setting out and erecting masonry structures, placing and finishing concrete and render surfaces.

Entry Requirements

None
