Level 3 Award in Paediatric First Aid (Part-Time)

This course is for individuals with a responsibility for the care of children and babies on a professional level providing the knowledge and practical competence to deal with a range of paediatric first aid situations.

This qualification meets the requirements of the Early Years Foundation Stage.

The qualification is valid for three years from the date of achievement. It is recommended that the learner attends annual refresher training. The learner will need to complete the full course again to requalify for a further three years.

Entry Requirements

The qualification is available to learners aged 16 or over.

It is recommended that learners should hold a minimum of Level 1 in literacy or equivalent to undertake this qualification.

Career Prospects

We also offer qualifications in safeguarding, health & safety, food safety and first aid for mental health should learners wish to diversify.
