

Level 3 Extended Certificate in Spectator Safety Supervision (Part-Time)

By completing these qualifications, learners will meet industry requirements to perform supervisory roles within stewarding and spectator safety.

The purpose of these qualifications is to confirm occupational competence and provide learners with knowledge, skills and understanding of Spectator Safety. They are mapped to the Skills Active National Occupational Standards (NOS) for Spectator Safety 2019.

Entry Requirements

Learners must be aged 16 plus.

Before learners can be certificated for this qualification, they must complete:

- A basic life support training course that covers: CPR, recovery position, use of a defibrillator and how to manage a bleed.
- Action Counter Terrorism (ACT) Awareness eLearning (Certificate) or Action Counter Terrorism (ACT) Strategic Training course (Extended Certificate)

Career Prospects

Completing these qualifications provides access to supervisory stewarding and spectator safety jobs including for sport and music events, festivals and carnivals.

Course Modules

To achieve the YMCA Level 3 Extended Certificate in Spectator Safety Supervision learners must complete nine mandatory units. There is no requirement for learners completing this qualification to complete optional units, but they may choose to do so if the units are relevant to their role

Mandatory Course modules include:

- Prepare stewards and venues for spectator events
