

Level 3 NVQ Diploma in Occupational Work Supervision (Part-Time)

This qualification is designed for individuals who are looking to advance their careers in the construction industry by developing supervisory skills and knowledge. This qualification is ideal for those who are already working in a supervisory role or aspiring to take on such responsibilities within construction projects.

This qualification is ideal for individuals working in the construction and built environment sector that are required to supervise the work of others. It provides an opportunity for them to demonstrate their competence in this area and gain the Level 3 NVQ Diploma in Occupational Work Supervision.

Entry Requirements

None

Career Prospects

Successful delegates gain increased employment opportunities and may enable progression to the Level 6 NVQ Diploma in Construction Site Management.
