

Level 4 AAT Diploma in Accounting AQ2022 (Part-Time)

AAT (The Association of Accounting Technicians) Courses offered give students the opportunity to gain experience and to progress in their accounting careers. Courses consist of three levels. Each level represents a qualification in its own right.

Students receive a certificate for each level achieved. Registration with AAT is required and the cost of this is paid directly to the professional body.

This qualification covers complex accounting and finance topics and tasks leading to students becoming confident with a wide range of financial management skills and applications. Students will gain competencies in drafting financial statements for limited companies, recommending accounting systems strategies and constructing and presenting complex management accounting reports.

Units include Applied Management Accounting, Drafting and Interpreting Financial Statements and Internal Systems and Controls, plus 2 additional units that include Audit and Assurance and Personal Tax which will provide a good breadth of understanding for the new accounting employee or those wishing to enter the accounting environment.

For further information about AAT and the qualifications offered visit their qualifications and courses website page at: <https://aat.org.uk/qualifications-and-courses>
