

Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice (Part-Time)

This qualification is suitable for you if you wish to obtain the Internal Verifier / Moderator role and quality assure assessors and assessment.

The Level 4 Award (previously V1 award) in the Internal Quality Assurance of Assessment Processes and Practice (IQA) is a 12 credit and 90 guided learning hour qualification consisting of 2 mandatory units.

This qualification replaces the V1. It is part of the new suite of qualifications for assessors, internal quality assurers (IQA).

This qualification is required for:

Verifiers involved in National Vocational Qualifications (NVQs) for the next three years. Those who deliver these qualifications will need to be qualified to meet the requirements of the NVQ Code of Practice and Sector Skills Councils assessment strategies.

Quality assurance staff who deliver QCF qualifications that use the term 'NVQ' in their title will also need these qualifications.

Some staff, who are quality assuring qualifications within the QCF framework that do not use the term 'NVQ' in their titles, but whose purpose is to confirm occupational competence, will need to hold this IQA qualification.

This qualification will be helpful for teachers in schools who deliver vocational qualifications with applied learning, such as BTEC Firsts and Nationals.
