RTITB Rough Terrain Masted Truck

This course equips operators with the skills and knowledge to safely operate rough terrain masted trucks, designed for outdoor use on uneven and challenging surfaces. The training focuses on understanding machine capabilities, stability, load handling, and safe operation in construction, agriculture, and industrial environments.

Entry Requirements

Required Equipment

- High Visibility Clothing
- Safety Boots
- Hard Hat

Career Prospects

Successful delegates can advance their skills and career prospects by undertaking further RTITB equipment training.

Course Modules

- Machine controls and safety features
- Pre-use inspection and maintenance checks
- Load handling and stability on uneven ground
- Manoeuvring over rough terrain and slopes
- Practical and theory assessments

Assessment

Assessed via practical and theory test.

Additional Costs

Funding is available subject to eligibility criteria. Contact us to find out more.
