Six Sigma – Yellow Belt (Part-Time)

The Yellow Belt course is the entry-level certification in the Lean Six Sigma hierarchy. Yellow Belt delegates are typically team members who work alongside Green Belts and Black Belts in process improvement projects.

Yellow Belt training covers the fundamentals of Lean Six Sigma, including key concepts, methodologies, and problem-solving techniques.

Entry Requirements

No formal entry requirements

Career Prospects

Successful Delegates can progress onto the Six Sigma Green Belt course.

Course Modules

This course covers:
– Understanding the history & concepts of Lean thinking
